TO WHOM IT MAY CONCERN:

I highly urge the community to support the establishment of a new Torah school called Binyan Yisrael. This is a school for elementary age children who have various diagnosed learning difficulties.

It is important to see to it that these children benefit from an education which will bring out their full potential while at the same time making sure that they learn and absorb the values and teachings of Torah.

Those, under the initiative of Mrs. Alana Weinberg, who have undertaken this project and their supporters are engaged in an incredible Mitzvah of lovingkindness and they will surely be blessed in every step of their way.

With respect,

Rabbi Aharon Feldman
